Dear Sir:

We recently contacted your company regarding our Air Pollution Control Technology database of manufacturers and vendors. If you have any questions or corrections regarding the information in the database, please contact me. Being included in the database will allow us to send you information on recent developments and opportunities that may be of interest to you.

We would like to invite you to the first meeting of the Stakeholders Advisory Committee of the Air Pollution Control Technology Pilot, Environmental Technology Verification Program. The meeting is scheduled for February 12-13, 1998, at the US Environmental Protection Agency's Environmental Research Center Auditorium, Research Triangle Park, NC.
